My Story

In his youth, Haven lived in Africa, where he developed a lifelong love of wild animals. It was also during this time in Africa that Haven became aware of dark cults that worshipped foul gods - when one of these cults kidnapped his sister, Antin. Unfortunately, his father, working with the authorities, was unable to save Antin; however, they did manage to capture and bring the cult's leaders to justice.

Coming to France, Haven was haunted by the loss of his sister and ran away from what promised to be a successful career in politics to join a travelling circus, so that he might forget his sorrows. His natural affinity with animals made him an ideal candidate to become a lion tamer.

While touring Europe, Wilminster Hackentoth, a talent spotter for Cecil Wrath, approached Haven to offer him a job - and a mission. Filled with dreams of America, the chance to see his name on the billing, and a chance to seek out the kind of devils who had taken his sister from him, Haven jumped at the chance to journey across the Atlantic and join Wrath's Circus of Wonders.
